

TBL 101
CREATING TEAMS BY ATTITUDE

Instructions:

Please rate the following statements using a scale of:
1 = strongly disagree to 10 = strongly agree.

Statements	Rating
1. If you use class time for group work, you will not be able to cover as much content as you would with lectures.	
2. If a substantial part of a course grade is based on group work:	
a. Better students will end up doing most of the work	
b. Less motivated or less capable students will be able to "free-ride" their way through the course	
3. If you use class time for group assignments, students will waste time "socializing" when they should be working.	
4. If you use group assignments, you frequently end up having to spend time helping groups resolve internal conflicts.	
5. Most learning groups will be ineffective unless you teach students how to work in groups.	
Total Points	

Instructions: Please answer the following questions:

- 1) Please complete the following sentence. "The single **most** personally satisfying outcome that I can even dream of having result from my teaching would be to have my students _____."

- 2) What important problems and/or complaints (if any) do you anticipate that you would encounter if you decided to use a large percentage of in-class time for small group work?

- 3) What questions about learning groups would you most like to have answered in today's workshop? (Use back if necessary)
